

Maus MS Private Lesson Agreement 2019-20

Please read this Private Lesson Agreement before making your first payment. Thank you.

Lesson rules/regulations: the following rules/regulations are based on a combination of FISD rules and Tony Bianchetta's (Mr. B's) studio rules.

- 1.** I agree to the lesson amount of \$20 per lesson or (if on scholarship) the amount agreed upon between myself and the school band program.
- 2.** I will notify Mr. B that I/my student is on a scholarship program as soon as the scholarship has been awarded and provide information about the amount responsible for both the school and my family.
- 3.** Payment for lessons must be paid in advance of the lesson taught.
- 4.** No lesson can be taught until payment for that lesson is received.
- 5.** I understand that if proper/timely notification for a missed lesson isn't provided (documented via text or email) then I am responsible for the payment of that missed lesson. This includes the following: (students will be allowed one missed lesson warning before being charged)
 - scheduling conflict (school event, doctor's appointment, etc) requires a 24-hour notification at the very least.
 - sickness requires notification by, at the very latest, the morning of the missed day.
- 6.** If the student is unable to properly participate in the lesson taught without proper notification, then that lesson is forfeited with payment still expected. Reasons for this include: (no instrument, no materials, etc.)
- 7.** Consecutive lessons missed by the student without notification can result in the dismissal from Mr. B's lesson program with payment for missed lessons still required.
- 8.** Consecutive late payments can result in the dismissal of the student from Mr. B's lesson program.
- 9.** Tony Bianchetta reserves the right (also, after consulting with the student's band director) to dismiss a student from his lesson program for any of the following reasons:
 - consistently showing a poor attitude or lack of respect to Mr. B
 - consistently not prepared for the lesson
 - if rules #6 or #7 are violated
- 10.** I understand that lessons are taught throughout the entire school year and, if absolutely necessary, will give at least a 2-week notice prior to the unfortunate need to halt lessons.

***If you agree to the terms stated above, please send an email to
Tony Bianchetta (mrb4band@gmail.com)
acknowledging your agreement.***

***Once you state your agreement and a first payment is received, the
rules/regulations go into effect and lessons can begin.***
